Conservation club wants to meet you

Members of the Northern Illinois Conservation Club are preparing for the first Let's Get Acquainted night which will be held from 7-10 p.m. Wednesday, Nov. 7 at the Antioch Auction Center.

A club film showing the projects and activities of the organization and demonstrations from various local clubs will be featured at the event.

Turkey talk to be heard in Antioch

"Let's Talk Turkey in Antioch" is the Christmas promotion chosen by the Antioch Chamber of Commerce and Industry's Retail Committee.

Ten turkeys will be given away during the Chamber's Christmas festivities.

Dates for the traditional extended store hours for Christmas shopping were also set by committee members during a breakfast meeting at the Vault Restaurant. Dec. 3 is the opening date for Christmas shopping, which will continue to the 21st.

The committee also arranged transportation for Santa to come to town. In the past, Santa has visited the community via helicopter and fire engine.

The next Retail Committee meeting will begin at 8 a.m. Nov. 12 at the Vault Restaurant.

There will be no admission charge and free refreshments and snacks will be served.

The purpose of the activity is "to get people reacquainted with the club," said NICC President Henry Kaht.

THE GROUP HAS recently relocated at the southwest corner of Rtes. 173 and 59, on property belonging to Al Pedersen. The club intends to build a clubhouse on the 400 acre parcel of land this spring.

With its new location on Ackerman Channel, the organization will be able to hold boating safety courses while continuing its present trap shooting and hunter safety programs.

The NICC's activities have included planting 100 fruit trees in the Antioch area and putting up and maintaining 30 purple martin and 60 bluebird houses, Kaht said.

ESTABLISHED IN THE early 1950's, the club has several annual activities, including its annual ice fishing derby, Kettle Moraine trip for fifth graders and Easter egg hunt.

In addition to its own activities, the club trap shooting facilities and grounds have always been available to other area clubs for fund-raising endeavors.

The Let's Get Acquainted Night will kick off a series of monthly programs of general conservation interest, he said.

"Sportsmen do a great deal for conservation," Kaht added. Besides paying a tax for conservation purposes on hunting equipment and shells, they also work to maintain the natural environment, he said.

Residents vocal on tax district

by JANE POLZIN

Residents' alternatives to establishing a special taxing district, expressed at a public hearing, ranged from having the entire village pay for the downtown improvements to creating a tollway to cover the costs.

Barton-Aschman Associates, Inc., the firm hired by the village to perform a traffic safety survey, recommended that the village seriously consider a plan for one way traffic flow through town by widening and improving Orchard and Hillside Sts., improving Lake St. and extending Depot St. across Hillside.

The plan, expected to cost approximately \$690,000, also calls for gutters, curbs, lighting and sidewalks to be constructed in the business area.

A two-way traffic plan "can work, but would have severe impacts on on-street parking (places) that would have to be replaced," said Neil S. Kenig, vice president of Barton-Aschman Associates, Inc.

The Depot St. improvement construction cost is estimated at \$366,550. An additional 1.1 acres of property would have to be acquired by the village before the street could be extended.

The village will pay \$150,000, more than 20 percent of the total cost.

About 65 people attended the hearing at the Antioch Fire Station. It was held to determine whether or not a special service area should be formed.

DOWNTOWN TRAFFIC and parking improvements are expected to "increase retail activity and improve business in Antioch," said Harold Warren of Warren Associates, a municipal finance consulting firm.

The cost of improvements and how they will be paid will be the subject of one or two future hearings, said Village Atty. Andrew C. Lynch.

The range of valuations in the proposed special service area is from \$350 for empty lots to \$650,000 for the Orchard St. Shopping Center.

APPROXIMATELY \$525,000 in bonds will be paid by property owners over a period of 13 years.

Valuations on homes in the district average between \$13,000 and \$15,000.

Based on the estimated 1980 tax rate of 1.72 per \$100 of assessed valuation, the cost on tax bills for a \$12,000 valuation would be \$206.40 per year; for a \$14,000 valuation would be \$240.80 per year and for a valuation of \$16,000 would be \$275.20 per year.

The first bond is not payable until 1981, Warren said.

The special taxing district would be "the least expensive way of financing" the improvements, he added.

AFTER ADJOURNMENT of the public hearing, which will be continued at 8 p.m. Nov. 26 at the Antioch Fire Station, a petition may be filed within 60 days and the district will not be formed.

Fifty-one percent of the taxpayers in the proposed taxing district and 51 percent of the electors in that district are needed to file a petition with the village board.

If no petition is filed within the initial 60 day period after adjournment, a second public hearing will be held and another 60 day period in which tax payers and electors in the district can file a petition will go into effect, Lynch said.

Depending on the tax bracket, property owners in the district will be eligible for a 30-50 percent tax deduction because of improvement to their property, Warren explained.

The village board favored financing by a special taxing district over a special assessment because a special assessment is "costly and very cumbersome," Warren said.

A special assessment would require court proceedings to analyze benefits to each parcel of property, Haley explained.

"Once the valuation is assessed on property, the owner can contest the amount...but cannot stop the assessment itself," Lynch said.

The village board "does have the the alternative to go to a special assessment" if a petition is filed against the special taxing district, Haley said.

Trustees lose friend with Weber's passing

Upon the death of Arnold Weber, eight year member of the Antioch Village Board, "the people of Antioch lost a dedicated elected official and...the entire village board lost a close personal friend."

That statement, reflecting sentiment by Weber's fellow board members, was made by Mayor Michael J. Haley.

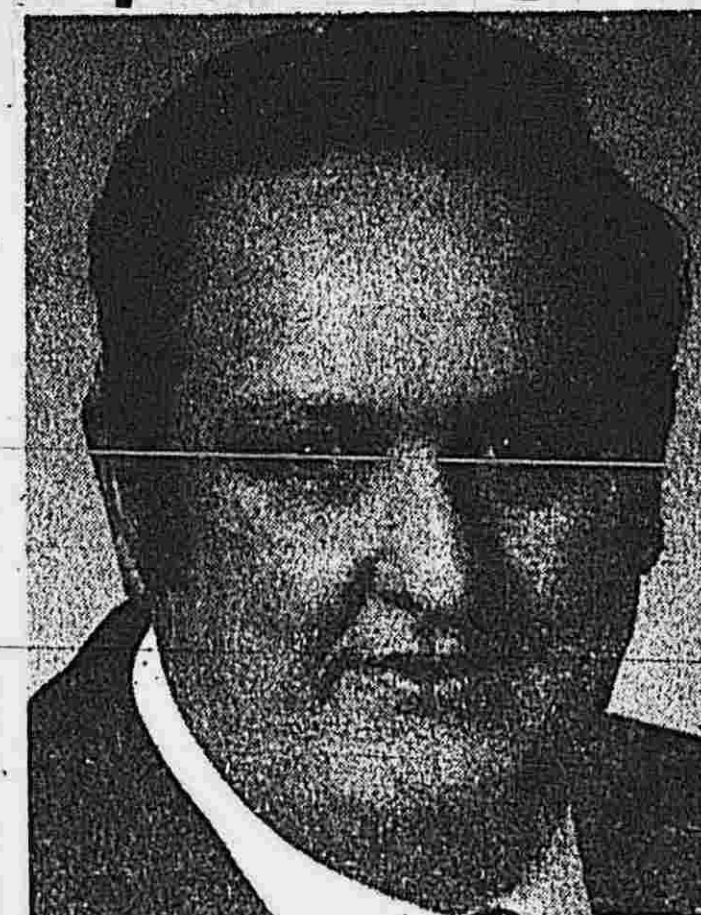

"He was a real wonderful person and a good trustee," said Trustee Vern (Barney) Barnstable. "Arnie was well-liked and will be missed."

Weber died Oct. 25, at his home.

Weber was elected to the board in 1971 and re-elected in 1975 and 1979. He served on the board's license and civic activities committees.

A life-long resident of the area, he belonged to the Antioch VFW Post and was also a member and coach of the Antioch Little League.

An appointment will be made to fulfill Weber's position on the village board, which expires with the next general election of the village in 1981. The appointment has not yet been made.

ACHS to present 'As You Like It'

Shakespeare's most romantic comedy will soon be presented on the stage of Antioch Community High School when the drama division of the Fine Arts Dept. presents "As You Like It."

The Ambitious work will open Thursday, Nov. 15 and continue on Friday and Saturday, Nov. 16 and 17. Curtain time for all shows will be 8 p.m., in the ACHS auditorium.

Featured in major roles in the show are Jennifer Czapiewski as Rosalind, Jeanne Lindgren as Celia, Dave Svoboda as Orlando, Keith Boehm as Duke Sr.,

Ray Burnett as Duke Frederick, Dino Braglia as Touchstone, Anthony Starke as Jaques, Jennifer Biel as Phebe and Stacy Slazes as Audrey. The total cast numbers 30 for this Fall's outstanding student production.

Reservations for the show will soon be available from members of the cast and tickets will also be available at the door.

"The chance to see a Shakespeare show are far too rare. Don't miss this chance to see one of the best," a spokesman said.

Blackwell to speak

Ruth Blackwell will be the guest speaker at the Grass Lake PTO meeting Wednesday, Nov. 7. She will be speaking about the history of the American Indian and particularly the Indians native to the Grass Lake Community.

Mrs. Blackwell is a retired teacher who received her bachelor's degree Huron College, South Dakota and her master's degree from Northwestern University.

She is a trustee of the Lake County Museum and a volunteer worker.

"The November PTO meeting promises to be most interesting," a spokesman said. Memberships are still available to anyone residing in the district.

Newport to meet

The Newport Grade School PTO will hold its monthly open meeting at the Newport School, 21st St., Zion Wednesday, Nov. 7 at 7:30 p.m.

Corporal Gardner of the sheriff's dept. will give a talk on Drug Abuse immediately following the business meeting. School-age children are invited to attend.

Refreshments will be served in the cafeteria at the close of the meeting.

NAIM MEETING

Lake County Naim for widowed persons will meet at 2 p.m. on Sunday, Nov. 11, at Our Lady of Humility School hall, Zion. Katie Serkowski will show pictures and talk about her trip to Rome. Guests are welcome. For further information call 662-1725.

"SAVING GRACE" — Members of cast; left to right Lillian Allen as Harriet, Thomas Hausman as Gregor, Deana Fabry as Grace and D.H. Martin Domeracki as Alex, rehearse a scene from American Repertory Theatre Systems dinner-theatre production of "SAVING GRACE," directed by Barbara D. Miller. The

play will be presented at Andre's Steak House, 11106 Rte. 12, Richmond, opening Nov. 2 and running weekends through Nov. 18. Dinner-theatre Friday and Saturday is 6:30 p.m. and Sunday matinee is 1:30 p.m. Reservations are necessary and may be made by calling 815-678-2671.

Along the way with ANNIE MAE

Heard some talk that Mayor Haley will be running again in the next election, but he set the record straight: the election is a year and a half away and he hasn't thought about it yet.

It's time to sing Happy Birthday to Glenda Tomaschik, who will be blowing out 30 candles Nov. 4. Best wishes, Glenda!

Old Annie Mae nearly had the scare of her life at the Jaycee's haunted house one dark night.

I WAS TOO scared to even think about going up to the Grass Lake School Haunted House after that, but I'm determined to tackle it before Halloween's over.

The Jaycees did a fine job, as I'm sure you've heard.

The Jaycee's house will be open from 7-10 p.m. Oct. 31 and the Grass Lake School's house will be also be open from 7-10 p.m. on Halloween.

The Jaycee's spook house is located just west of the State Bank parking lot.

THE SEQUOITS will be trying their hardest to beat Grant this coming Friday, their last regular game of the season. Our team is now tied for first place with Warren High School in the Northwest Suburban Conference. Good going!

Lion's Candy Day was a big success once again this year. Club members and volunteers collected over \$5,100 for blind, visually handicapped, deaf and hearing impaired persons.

The Lions received about the same amount of money last

year, even though they quit two hours earlier this year because of nightfall.

Sad to say Dr. John Lorang is in Lake Forest Hospital, but heard he is progressing well.

Also, George Hahn is still at Victory Hospital although he was hoping to be out last week.

WE'RE THINKING about you, so hope you're both feeling better.

Sing happy belated birthday to Bernie Gutowski Sr., who was 75 years young Sept. 26.

The Lion's Save Our Sight Mini Health Fair went "real fine," according to Dr. Donald Skidmore, chairman of the event.

Over 500 people were in attendance. About 96 people went through the club's hearing van, which can accommodate four people every ten minutes.

"Everything went very well," he said.

Antioch Fire Dept. held an Old Timer's Night Dinner for all the retired firefighters at the new fire house.

Good food, fun and entertainment were enjoyed by the men. Fire departments from nearby territory also attended.

Don't forget the Lake County 4-H Pancake Breakfast from 8 a.m.-1 p.m. Sunday, Nov. 4 at the Antioch-Moose Lodge. Adult donation is \$2 and for children under 12, \$1.50.

The breakfast is sponsored by the First National Bank of Antioch.

FINANCIAL NEWS

by

"IT'S IRA AND KEOGH TIME"

IRAs and Keoghs are retirement plans that the Congress has made available to us. The tax laws allow us to put money away for retirement and then deduct it off our income tax returns. In effect, we pretend we didn't earn that money this year. The money will earn interest as the years pass and that interest will not be income taxed. Finally, we will retire. Then we will start pulling our money out of the retirement plan. When we pull it out, we report it as income on our income tax returns. Uncle Sam waits, but eventually collects on both the money we put away and the interest it earned. There are, of course, many rules that have to be followed. If you break one, the IRS may disallow the deductions. Then you could suddenly owe tax and penalties on the money you had deducted. There are several types of plans. There are plans for incorporated business, for public employees, for railroad employees. There are Keoghs for those who are self employed. There are IRAs for those who are in none of the above.

If you own an unincorporated business, you can have a Keogh plan. You are allowed to contribute and deduct up to \$7,500 or 15% of your earnings from the business, whichever is less, for yourself. Any employee who has been with you for three years or more must be included. You must put away the same percentage of an included employee's compensation for him as the percentage of your earnings you put away for yourself.

If you are contributing 10% of your earnings for yourself, you must contribute 10% of an included employee's compensation for him.

The paperwork for a 1979 Keogh must be completed before January 1, 1980. To start a Keogh, make an appointment with whoever you want to handle it for you; a trustee, a Savings and Loan, a bank, or an insurance company. Choose carefully. You will be relying on whoever you choose to keep you up to date on all the Keogh rule changes. There are many more rules than we can discuss here, and many of them change every year.

IRAs are meant for those who are not "participating" in any other tax qualified retirement plans. By "participating" the IRS basically means building retirement benefit. You can be collecting or waiting to collect from another plan. You can't be building retirement income in another plan and make and deduct an IRA contribution in the same year. If you qualify, you are allowed to contribute and deduct up to \$1,500 or 15% of your income, whichever is less. You may arrange to put away more if you have a spouse who isn't working. To start an IRA, make an appointment with one of our saving counselors.

Establish homecoming committee

Since the party's over, a committee of three student council members and faculty will review Antioch Community High School's 1979 Homecoming activities.

The committee will be formed to make recommendations for next year's events, according to a report by Principal Arthur Blecke during a meeting of the ACHS school board.

Supt. Warren Polley reported the chairman of the state visitation team for vocational education has met with Adrian Mueller, coordinator of vocational education, to review the state visitation Nov. 13, 14 and 15.

The employment of Dee Hauser was approved by the board. She will teach in the science department for the remainder of the school year, filling a vacancy created by a maternity leave.

"IT'S IRA AND KEOGH TIME"

IRAs and Keoghs are retirement plans that the Congress has made available to us. The tax laws allow us to put money away for retirement and then deduct it off our income tax returns. In effect, we pretend we didn't earn that money this year. The money will earn interest as the years pass and that interest will not be income taxed. Finally, we will retire. Then we will start pulling our money out of the retirement plan. When we pull it out, we report it as income on our income tax returns. Uncle Sam waits, but eventually collects on both the money we put away and the interest it earned. There are, of course, many rules that have to be followed. If you break one, the IRS may disallow the deductions. Then you could suddenly owe tax and penalties on the money you had deducted. There are several types of plans. There are plans for incorporated business, for public employees, for railroad employees. There are Keoghs for those who are self employed. There are IRAs for those who are in none of the above.

If you own an unincorporated business, you can have a Keogh plan. You are allowed to contribute and deduct up to \$7,500 or 15% of your earnings from the business, whichever is less, for yourself. Any employee who has been with you for three years or more must be included. You must put away the same percentage of an included employee's compensation for him as the percentage of your earnings you put away for yourself.

If you are contributing 10% of your earnings for yourself, you must contribute 10% of an included employee's compensation for him.

The paperwork for a 1979 Keogh must be completed before January 1, 1980. To start a Keogh, make an appointment with whoever you want to handle it for you; a trustee, a Savings and Loan, a bank, or an insurance company. Choose carefully. You will be relying on whoever you choose to keep you up to date on all the Keogh rule changes. There are many more rules than we can discuss here, and many of them change every year.

IRAs are meant for those who are not "participating" in any other tax qualified retirement plans. By "participating" the IRS basically means building retirement benefit. You can be collecting or waiting to collect from another plan. You can't be building retirement income in another plan and make and deduct an IRA contribution in the same year. If you qualify, you are allowed to contribute and deduct up to \$1,500 or 15% of your income, whichever is less. You may arrange to put away more if you have a spouse who isn't working. To start an IRA, make an appointment with one of our saving counselors.

Establish homecoming committee

Since the party's over, a committee of three student council members and faculty will review Antioch Community High School's 1979 Homecoming activities.

The committee will be formed to make recommendations for next year's events, according to a report by Principal Arthur Blecke during a meeting of the ACHS school board.

Supt. Warren Polley reported the chairman of the state visitation team for vocational education has met with Adrian Mueller, coordinator of vocational education, to review the state visitation Nov. 13, 14 and 15.

The employment of Dee Hauser was approved by the board. She will teach in the science department for the remainder of the school year, filling a vacancy created by a maternity leave.

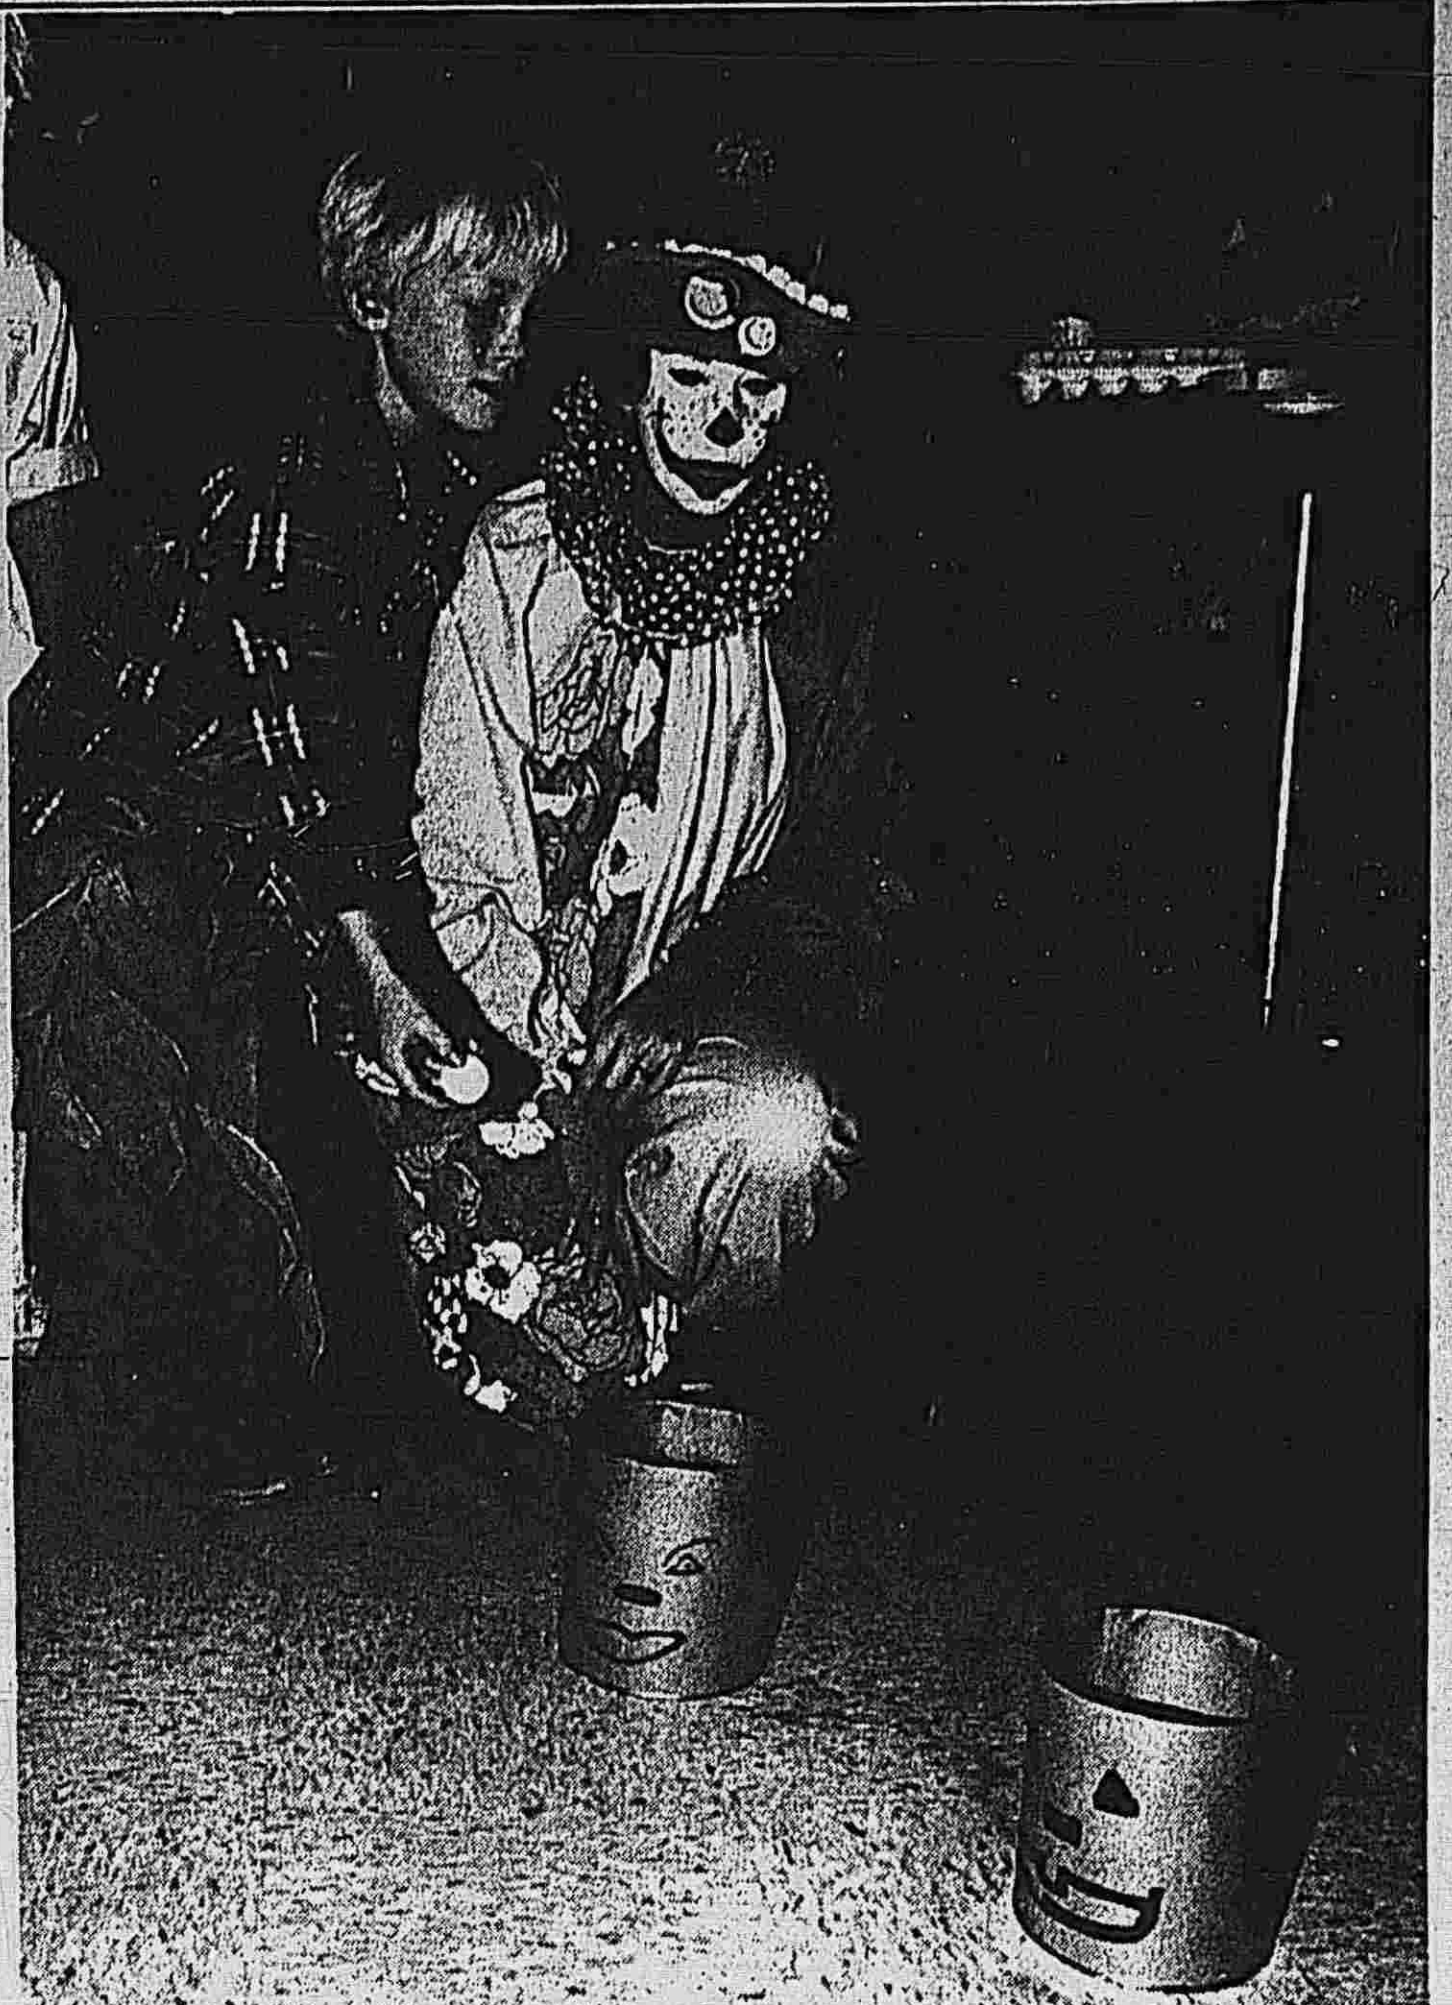

KEVIN O'NEILL

O'Neill is Dubuque coach

Kevin O'Neill, a 1970 graduate of Antioch Community High School, is coaching at the University of Dubuque where he was a member of the football and baseball teams receiving Most Valuable Player honors and was named to the All-N.A.I.A. first team.

O'Neill coaches the defensive backs for the Spartans, who are 8-0 and ranked fifth in the country N.C.A.A. Division III.

Kevin is the son of Kaye O'Neill, 322 Cedarwood Ln.

Gregory D. Allen was one of forty ceramic engineering scholarship recipients at the University of Illinois.

Allen, a sophomore, lives at 565 Orchard St.

The awards were made on the basis of scholarship and professional promise.

"The demand for ceramic engineers is high," said Professor Clifton G. Bergeron, head of the U of I

Dept. of Ceramic Engineering.

"Only 16 colleges in the nation offer training in ceramic engineering and they cannot fill the need for men and women trained in the field," he added.

"The work of ceramic

engineers covers a broad range, from nuclear reactors and electronic devices through aerospace materials, new materials for homes and for medical applications and catalytic devices to reduce air pollution.

OUTDOOR WOOD

Wolmanized

Pressure-Treated Lumber

Build beautiful, permanent patios

When you build outdoors, use OutdoorTM brand wood. It needn't be stained or painted. It isn't bothered by termites. Won't rot. And stays beautiful for keeps. This deck was built with Wolmanized[®] lumber... Outdoor wood. It's ordinary wood—pressure-treated with Wolman[®] preservative chemicals to keep it handsome, sturdy, and worry-free for dozens of years.

Considering how long Outdoor wood lasts, it's relatively inexpensive. Use Outdoor wood for your next project. You can be sure it will have the appearance and shape-holding qualities you expect because Outdoor wood is a high grade of material.

Sterbenz is winner once again

Village Clerk Marilyn Sterbenz was the first place winner of the Antioch News Football Contest for the second week in a row.

Mrs. Sterbenz used her football prowess to guess the win, picking Antioch over Round Lake by 22 and the 49'ers over the Bears by 9.

Her prize is \$15 cash from Thelen Lumber Co.

Second place went to Peter Tomaschik, who also picked Antioch to win by 22. The tie breaker determined the winner, Tomaschik picking the 49'ers to beat the Bears by 13.

A \$10 gift certificate from Ben Franklin was his reward.

Jim Weber came in third place. Weber chose Antioch to win by 21 and the Bears to win by seven.

His third place entry brought him a \$5 gift certificate at the Las Vegas Restaurant.

This is the last week to enter the Antioch News Football Contest. The Sequoias will play Grant in a Parents Day Game at 8 p.m., Nov. 2, at Grant High School.

For more football contest information, see the ad on the back page of this week's paper.

PM&L to perform 'Miracle Worker'

William Gibson's gripping play, "The Miracle Worker," will be the next production at the PM&L Theater, 877 Main Street.

This is the poignant story of the celebrated and gifted Helen Keller's early years. Deaf, dumb, and blind since early childhood, she struggled to understand and communicate with the world around her. This was essentially a desperate struggle until her teacher, Annie Sullivan — a true miracle worker — at last dramatically brought Helen into touch with those who loved her.

"The Miracle Worker" has been a widely acclaimed success on Broadway, in the movies and on television. The PM&L production is directed by Pam Hunley and the playdates in Antioch are Friday and Saturday nights, Nov. 17, 23, 24, 30 and Dec. 1.

The cast features Debbie Beno of Wildwood as Helen

and Lynn Kessie, Richmond, as Annie. Helen's mother, father, brother, and aunt are played by Ann Marie Cina, McHenry; Frank Greenwood, Round Lake; Michael Mitchell, Pleasant Prairie and Priscilla Gwin, Waukegan.

The PM&L cast also includes Pam Knourek, Lake Villa; Paul and Stephen Biel, Susan Butler, Debbie Jones, Chris Hubbard and George Blanksten, Antioch; Lori Koenig, Twin Lakes and Linda Stafford, Lindenhurst. Many of these performers are well-known veterans of the Antioch stage.

"The Miracle Worker" promises to be a major hit in PM&L's current Season 19. Curtain time for all five performances is 8:30 p.m. You should be sure to call 395-3055 to make your reservations and to be at the theater no later than 8:15 on the night you plan to see the show.

Antioch's Woman's Club to feature entertainment

The Antioch Woman's Club, at Harbor Ridge Country Club, will feature a variety of vocal entertainment at a meeting Monday, Nov. 5 and will focus on the spirit of Christmas with a special ornament project on Monday, Nov. 19.

The Variations, a group of five females and a pianist, will, highlight the Nov. 5

meeting with their musical talents, complete with costumes, choreography, staging and props. The six unique performers feature exciting group numbers in the music of Barry Manilow, the contemporary sound of the Carpenters and show tunes from "Gypsy."

Duets and solos are sprinkled throughout the

show with music from "Fanny Girl" and "Call Me Madam," as well as Evergreen from the Streisand movie "A Star Is Born." Novelty tunes and all-time favorites will make the fun contagious for club members attending.

The Nov. 19 meeting will include a program conducted by member Evelyn Skidmore, who will instruct the group and provide materials for completing individual Christmas ornaments with her mysterious ingredients.

Blood pressure check set

The Lake County Health Dept. will hold a blood pressure session from 2-4 p.m. Wednesday, Nov. 14 at the Antioch Public Library.

Individuals will be screened for high blood pressure and those with elevated blood pressure will be referred to a physician for medical evaluation.

The risk of stroke, heart attack and kidney failure is greatly reduced when an individual's high blood pressure is controlled.

For further information, contact the hypertension program, Lake County Health Dept., at 689-6715.

Special taxing district

(Continued from Page 1)

According to an Antioch residents' attitude survey conducted from 1973-75, the community's most urgent problems were traffic and parking, Haley said.

Residents answered that traffic and parking problems were what they disliked most about Antioch. In the downtown area, parking and traffic were the top two answers to what residents disliked most about the downtown area, Haley reported.

"BASED ON THE reaction of people in the community and the board's personal observations, the board recognized the effect of

the traffic problem on the central business district," he said.

For the 1979 fiscal year, the village had \$706,800 in its general fund. Real estate taxes brought in \$66,700, while the sales tax brought in \$540,200. The remainder came from miscellaneous sources such as fines, license stickers and so forth, Haley explained.

Because of the high revenue brought in by the sales tax, "we must keep the central business district healthy to keep people coming to Antioch to shop," he said.

Parents night went well

Five hundred-eighty seven parents, teachers and students attended Antioch Community High School's Back to School Night for parents.

The evening "went very well," said Principal Arthur Blecke.

Parents followed their student's schedule through a school day with five minute classes.

"They got lost and were scurrying around like the students on the first day of school," Blecke said.

The annual parents' night was "as well attended as the

previous year," he added. It provided parents with the chance to meet teachers and speak with them afterwards over coffee in the commons, he said.

The Parent-Teacher Club and the school co-sponsored the event.

Antioch arsonist charged

Off duty Antioch Police Officer William Kukla apprehended an arsonist who set a car fire about 11:40 p.m. Oct. 19.

Kukla heard a noise and observed Timothy T. Mortensen, 32, of 291 Joanna Ct., at an open car door, with flames growing within the vehicle, said Lt. Thomas Fisher.

Mortensen ran into a nearby apartment building. Af-

ter dialing the 911 emergency number to report the fire, Kukla apprehended him.

He was charged with arson and criminal damage to property for a dumpster fire he also set.

Sgt. Charles Watkins and Lt. Fisher spent about 15 hours on the case, Fisher said.

Kukla was credited for "a job well done."

INSURANCE INFORMATION

When school started my son started playing trumpet in the school band. Can his trumpet be insured against loss and damage under our Homeowner's policy? Will it be expensive?

If you actually own the trumpet, it can be covered under your Homeowner's Policy. If he is only playing in the school band and not professionally, you will qualify for lower, non-professional rates... well worth it considering the cost of musical instruments today. If he should ever decide to play with a group, receiving pay, check with your agent to be sure your coverage and rates meet professional requirements to be adequately insured.

The Time Machine

50 YEARS AGO: OCTOBER 31, 1929

Mrs. Carrie Wilton lies in Victory Memorial Hospital suffering from a broken leg sustained when the Ford coupe in which she was a passenger collided with Carlton Rushmore's Whippet, driven by Kenneth Van Patten, a local high school student. The accident occurred on Main St. in front of the high school.

Culminating a series of train robberies that started in September, one burglar was shot dead and another seriously wounded by Special Agent A.W. DeGroff at the Lake Villa railroad yards.

The dining room at the Antler's Hotel, which has been closed since the first of this month, was reopened today by C.E. Waldo, who leased the hotel from George Holderness a month ago.

Thirty-five lives were reported lost shortly before noon today when the passenger ship Senator sank after having collided with the freighter Marquette in the fogs of Lake Michigan, 30 miles northeast of Milwaukee.

Forrest F. Cole, a supporter of the Chicago Cubs, agreed to bat a ball from Dallas, Texas to Philadelphia if the Cubs lost the world series. He made the wager with Ernest Luttrell, a neighbor, who goes along to see that the terms of the wager are fulfilled. Cole is not to pick up the ball, but bat it along the highway golf fashion. At the end of the day Luttrell marks the spot where the ball was stopped and they carry on from there the next day.

Mrs. Medora Webb has returned from the Moor Baths at Waukesha.

The Hotel Knickerbocker is an ideal place for club parties. Due to its central location, it is easily reached from all sides of the city.

If your hot temper gets the best of you, go jump in the lake, it will cool you off quickly.

This is what James Ducaman did recently.

He, his wife and a friend, Russell Wilson, were walking home from a party when they got into an argument and when Wilson tried to intercede Mr. Ducaman became so infuriated he ran to the lake and plunged in.

When in the darkness they couldn't see him and he did not answer their calls, they started walking to get help in finding his body. On the way they sighted Ducaman running at top speed down the highway. They caught him and took him home.

John Setoff might have forgiven the person who broke into his Grass Lake summer home recently and fried for himself a batch of pancakes, but when he left without washing the dishes, he was plain mad. Besides pancakes, the person helped himself to some homemade preserves, bread and coffee.

Flaschner shows way as Sequoits win fifth

Denis Flaschner led the Sequoits in a 34-12 win over Round Lake as he broke Antioch's single season scoring record with a total of 90 points.

The previous record, set by Dave Camp in 1968, was for 84 points.

Dan Behne broke his own school record for the second week in a row by making 22 point after touchdown kicks out of 23 for the season.

LAST WEEK BEHNE broke the record when he kicked 18 points after touchdowns.

Sequoit Jim Sertic and his father, a Round Lake football coach, were featured during the game on Channel 7 tv news by sportscaster Tim Wiegel.

With 19 carries for 137 yards, Flaschner "had a good day," said Antioch Coach Steve Wapon.

Greg Stevens had "his best day of the year" with nine carries for 80 yards and Mark Pomazak had 15 carries for 57 yards.

"It was a good offensive ball game with the exception of the third quarter," Wapon said. "The team did not play with the same intensity as in other parts of the game."

"THE OFFENSIVE line

did a good job," he added. Gary Williams, James Mancuso, Scott Wolf, Ken Nieze and John Eckert were credited for their play.

"Because the offensive line doesn't get the chance to score any touchdowns, no one gets to see the hard work they put in," he added.

The defense was "toughest when it had to be," Wapon said.

"Probably one of the key points of the game took place when the defense held Round Lake twice from scoring at the two yard line," according to Wapon. Mark Wilson and Tim Ernstmeyer led the defensive line.

ERNSTMAYER HAD the initial hit on the last two plays, Wapon said. He made his fourth interception of the year, with help from Mitch Case, Chuck Bogaerts, Steve Jennrich and John Jackson. Pomazak made two interceptions this year.

"Defensive Back Greg Schroeder played well," he said. The defense "came up real well to support against the fine running of Round Lake."

Mark Wilson was credited for being an "outstanding athlete," carrying the ball 31 times for 177 yards.

The Sequoits were for-

tunate to win the game, Wapon said. "Round Lake is one hard-hitting football team."

AN IMPORTANT characteristic of the Antioch team was visible even in the third quarter, Wapon said. "We were able to get together and play defense when we had to and take advantage of breaks when they came."

Antioch will play its last game of the season against Grant. "It should be a whale of a ballgame" with Grant's excellent passing, receiving and running attack, he added.

The Sequoits have a 5-1 Northwest Suburban Conference record and are tied for first with Warren High School.

Grant is one game out of first and winning would give the team a 4-2 in the NWSC.

"They're going to be fired up," Wapon said. "It should be a really fantastic ballgame."

Antioch teams will play a triple header in Fox Lake Nov. 2. Freshmen will begin play at 4 p.m., sophomores at 6 p.m., with the varsity game at 8 p.m. The games will give Antioch fans a chance to see "three fine games back to back to back," Wapon added.

Cross country teams get conference seconds

Antioch's boys and girls cross-country team finished its schedule with the conference meet last Tuesday in Round Lake.

The boys finished in second place behind Lake Zurich. Gary Miller and Dave Unrein led the team with a second and sixth place finish.

Robert Otten placed 16th with Alan Ware in 20th, Dale Plechaty in 22nd, Mike Mattson 34th and Dave Waters in 35th.

The boys finished their conference with a 6-1 record.

In the girls' race, Antioch finished in second place behind Wauconda. Based on a dual meet record and conference meet results, Antioch and Wauconda tied for the conference championship.

The girls finished with a 7-0 record in conference dual meets.

Carie Corso led the girls with a fourth place finish. Dawn Wacke finished in ninth, Diane Otten in 15th, Nancy Harland in 16th, Mary Mattson in 19th and Pattie Friedman in 24th place.

The boys ran in the district cross-country meet last Saturday and finished in a strong third place. Libertyville ran to first place and

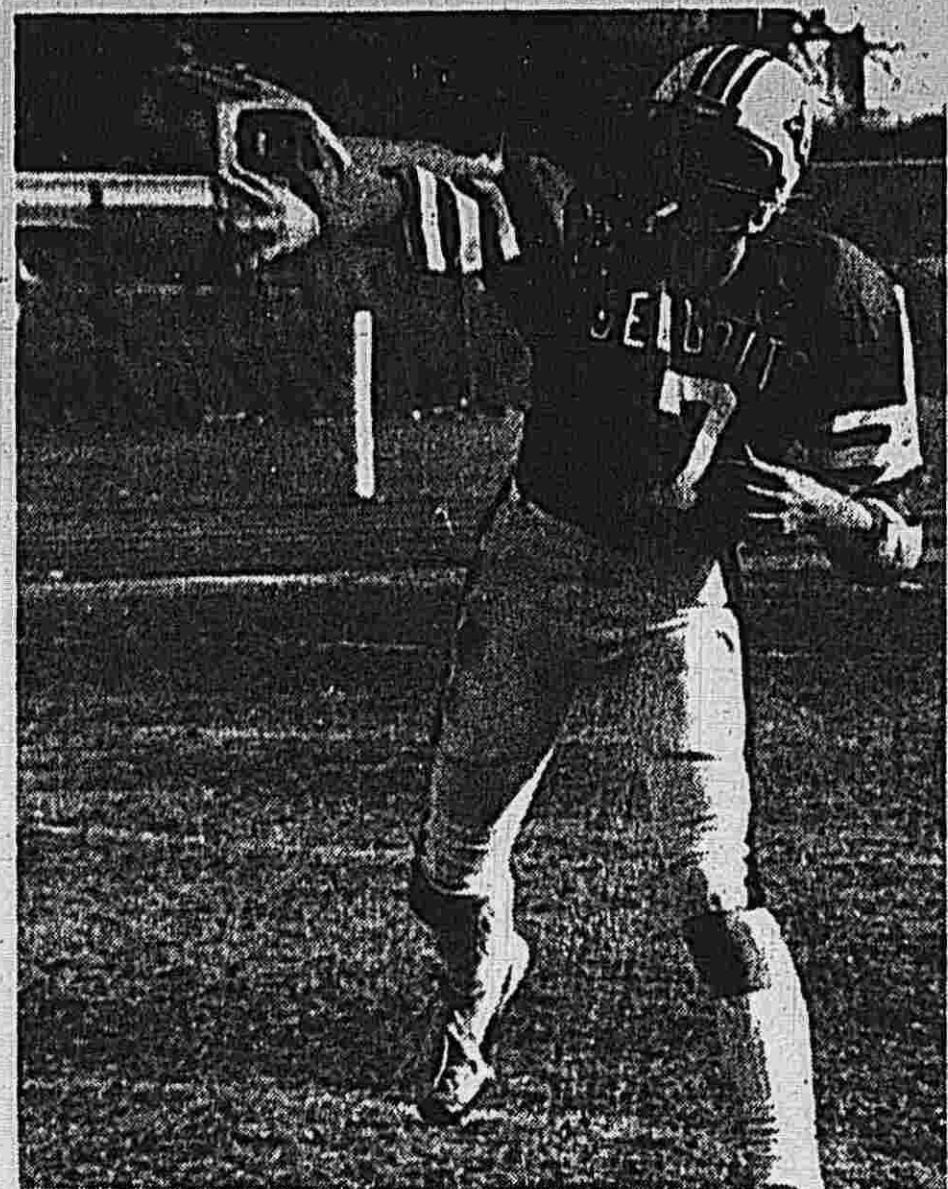

Woodstock was in second.

The boys qualified for the sectional meet in Deerfield next Saturday.

Gary Miller again led the team with a 10th place finish followed by Robert Otten's 18th, Dave Unrein in 20th,

Alan Ware in 29th, Dale Plechaty in 48th, Mike Mattson in 53rd and Adam Venn in 76th place.

This third place finish is the highest finish by any cross-country team in Antioch's history.

CAN DO BOTH — Antioch High School quarterback Jim Sertic, 7, showed his versatility by running one touchdown and throwing for two others in Sequoits 34-12 win over Round Lake Saturday, Nov. 4, at Antioch. Sequoits close out regular season at 8 p.m., Friday, Nov. 3, against Grant at Fox Lake. Field hockey team wins with defensive hustle

Antioch varsity field hockey team began a very successful week with a 1-0 victory over Lincoln-Way in the final regular season game.

Jill Harland, assisted by Renee Petykowski, scored the winning goal at the beginning of the second half. The game was dominated by the Sequoits even though the final was only 1-0.

Wednesday Antioch began sectional competition at McHenry with an exciting overtime victory 2-1, over the host school. Beth Mueller, assisted by Shelley Ester, scored early in the game to give Antioch a 1-0 lead. The score remained 1-0 until a McHenry goal late in the game sent it into overtime.

With five minutes left, Beth Mueller scored again, with an assist from Cheryl Thamerus, to provide the winning margin. The win,

which avenged an earlier loss, was achieved because Antioch clearly out-hustled the home team and kept them constantly on the defensive.

Friday Antioch earned its first state tournament appearance with a 1-0 victory

over a fired-up Woodstock team. Woodstock started fast and only a foul by the Blue Streaks kept them from taking a 1-0 lead. Antioch was kept on the defensive the first part of the game but became more aggressive and

Volleyball players tackle top teams

The Antioch girls' volleyball team stopped two top teams, Grant and Warren. Antioch beat Grant Monday night 21-19, 4-20, 20-18 knocking them out of first place.

Top servers were Sharon Neubauer, Kim Rederer and Denise Sabar. Shelly Wix spiking record was 72 percent and Patty Hinz spiking 67 percent. The girls played a very aggressive game

against a top team.

Antioch beat Warren High School 10-20, 20-7, 20-5. The control was taken early in the second game with serves. Patty Hinz served nine consecutive points. Sharon Neubauer, Teri Macklin, Dawn Johnson and Diane Hairrell also did a fine job. Other members of the team who also played were: Carol Blecke, Nancy Mattson, Lisa Davis and Jackie Saturnia.

Lightweights stumble Wauconda Chiefs 19-6

With the football season quickly coming to an end, the Antioch Viking Lightweights traveled to Wauconda to face a team with an identical record as the Vikings, 6-1.

Both teams were fired up and ready for the big day, with all conditions perfect.

On the third play of the game, Bryan Becker ran 58 yards for the Viking touchdown, he also ran in the extra point.

Later in the first quarter, on a pass from quarterback Ed Antkowiak, Steve Lichter ran 38 yards for the second Viking score.

The Vikings also had two fumble recoveries in the first half, one by Steve Lichter after Jeff Johnson popped the

Wauconda ball carrier and another by Gene Elrod on the 23 yard line.

Second half action saw a 15 yard pass by Ed Antkowiak to Gene Elrod who ran 30 yards for the touchdown.

The point after was blocked.

After many consecutive penalties called on the Vikings, the Chiefs managed to score their only touchdown of the game.

The fourth quarter was a defensive battle and after Brad Poulter intercepted a Wauconda pass, the Vikings continued to run out the clock, making the final score 19-6, in Antioch's favor.

It was a Viking total team effort with a fine job by Bill Kaht at offensive end, Dave

Pinkham at tackle, and Thadd Ernstmeier at defensive end to keep the Vikings in the race for the playoffs.

Bucs bust Seahawks

The Buccaneers played an outstanding game Sunday beating the Seahawks 12-7.

The Buccaneers scored early in the first quarter after a long run by Jeff Leaf. Ryan Rau took the ball in to score, making the result 6-0.

In the second quarter, another long run by Jeff Leaf took it to the one yard line and again Ryan Rau scored the touchdown, making the score 12-0.

The Buccaneers defense did an outstanding job holding the Seahawks to one touchdown scored in the third quarter, making the score 12-7.

Coaches credit Jeff Peterson, David Baker, Jeff Leaf, Ryan Rau, Mike Dobosh, Mark Menninger and Chick Clark with excellent playing.

Raiders fly to beat Eagles

It was once again a beautiful Sunday for football. The parents of both the Viking Eagles and the Raiders and their cheerleaders were honored in pre-game ceremonies on Parent's Day.

The first half of the game was played, for the most part, between the 30 yard lines and was pretty much an offensive disappointment. The score at halftime was 0-0.

The second half was more exciting with each team intercepting the ball a number of times. John Riedlinger of the Raiders stripped the ball from the Eagles and Kelly Lowry scooped it up for a 2 yard skip into the end zone. The point after was made by Eric Birkhaug.

The Raider's second score came on a pass from Stan Kuligowski to Mike Fields in the end zone. The Eagles stopped the Raiders in their point-after attempt. The score read 13-0.

Overall, the coaches praised the Raiders as being fairly solid defensively.

Warriors defeat Falcons

The Warriors won 6-0 in overtime against the Falcons. The Warriors threatened to score several times, but could not.

Larry Rodgers ran several long keepers around end and threw passes to Joel Bachochin. The coaches credited Jeff Huhnstock, Derrick Gurschke, Jon Shanks, Pat Mercer, Jeff Sokulski, and Bob Cord, the offensive line, for doing a great job of blocking.

The Warrior defense did a good job of stopping the Falcon drives.

The Warriors scored in overtime on a pass from Larry Rodgers to Steve Behrendt who caught the pass after it was tipped by the hands of a Falcon defender.

Heavyweights win

The Antioch Viking Heavyweight team with a 6-1 record, traveled to Wauconda to play their team with a 7-0 record.

The winning team emerged taking first place in their division of the Junior Football League of Northern Illinois.

The Vikings crossed the goal line first on a run by Eddy Silva, score 6-0. The kick attempt for two points by Andy Lehn hit the upright and bounced out.

The second touchdown of the game was also scored by Eddy Silva. The kick for the extra point went through the

upright, but a penalty nullified the score and the second attempt failed, score 12-0 Vikings.

The second half was a defensive battle by both teams with no scoring. Key plays were interceptions by Jim Kauth, Bob Walden, Mark Robers, and Chris Harp and an outstanding job of tackling by Jim Walsh, Phil Raven, Chris Buxton, and Jim Prining.

Coaches credited their win to a total team effort in a must win game. A win next week will give them a division championship two years in a row.

the momentum clearly shifted.

A Beth Mueller goal, assisted by Tammie Traves, was enough for the victory. The game was well-played by the entire Antioch team, but the consistent work of the entire defense enabled Antioch to gain the victory. Woodstock had only one shot on goal the entire game.

With the sectional victory, the Sequoias became one of eight teams still left in the state tournament series.

Antioch will play Lake Forest in the fourth quarterfinal game of the state tournament, at 2:30 p.m., Friday, Nov. 2. This year's tournament is being held at Lake Forest High School, East Campus.
